

**Table C. Stakeholder Analysis** You may need to make extra copies of this page.

Stakeholder	What is their stake in the project?	How do / can they help (or hinder)?	How do / can they benefit?	How do we engage with them?	Involve in Change Pathway (CP) mapping?
<i>Who are they? Which person or group?</i>	<i>Why are they interested in your org/project and why do they want to be involved?</i>	<i>What do / could they add to your project? Do they have influence or power? Describe.</i>	<i>What do / could they gain from the project?</i>	<i>In what ways do we interact with them?</i>	<i>Complete this column <u>later</u> when planning CP session</i>
